I. Call to order: The meeting was called to order at 7:00 p.m. by J. Jahoda.

II. **OLD BUSINESS**

- a. Lebanon Lions Club (owner), David Vertefeuille (applicant), 122 Mack Road, Assessors Map 236, Lot 57 for request for Temporary Use Permit for July 5-7, 2019 Murdercycles event per Zoning Regulations Section 7.1:

J. Jahoda appointed E. Stearns as a voting alternate in place of W. Budney.

P. Chester had applicant D. Vertefeuille sign the application and add the proposed hours of operation.

D. Vertefeuille explained Friday night is set-up night. Saturday is the actual event from 10:00 a.m. to midnight with a DJ playing music during the day and a band (Dirty Deeds) playing from 7:30 p.m. to no later than 10:00 p.m. From 11:00 p.m. to midnight would be quiet time. The event is broken down on Sunday. About 20 people would be camping at the Fair Grounds. He anticipates 400 attendees and would like to include beer sales at the event.

Resident State Trooper C. Konow read a prepared statement which stated that The Murdercycles organization is affiliated with outlaw motorcycle gangs and recommended the Commission deny the application. He said law enforcement was not permitted on the property by the owners last year and this year the town has no additional manpower to cover this event as it is on the same night as Lebanon's Summer Dancefest.

P. Chester stated that the applicant would have to hire two (2) State Troopers for law enforcement coverage should the Commission deem this a condition of approval.

D. Vertefeuille said his organization is a brotherhood, not a gang. He said Murdercycles are associated with The Hell's Angels, but do not do things with them, and that his organization is family oriented, citing school and family events his organization has sponsored.

K. Smith inquired if Lions Club members would be at the site and emphasized the fact that police were not allowed on the property by the owner does not reflect on the applicant.

E. Stearns said the Commission's focus should be on public safety.

F. Malozzi said the Commission must think about the residents of the town who depend on their decisions and noted that Lions Club members were not qualified as public safety officials.

B. Petrie said the Town could provide two constables from noon to 4:00 p.m. on July 6 to do patrol check at the event if they are available, but that they would not be available after 4:00 p.m. due to their attendance at Summerfest.

Discussion followed on having a condition of the permit that there be police presence at the event.

D. Vertefeuille asked the commission not to decide tonight on his application. J. Jahoda said the next PZC meeting is June 17.

The members said a more detailed application is needed for this meeting, including deciding if there will be beer sales and addressing who would pay for police coverage and what hours there would be police coverage at the event.

M. Hofmann asked the Commission for guidance for the Lions Club moving forward. J. Jahoda responded the Lions Club has the responsibility and must decide on how to move forward after hearing concerns on oversight and public safety.

Jody Walsh of 227 McCall Road and member of the Lebanon Lions Club, commented he has been to every one of the groups' functions at the fairgrounds and several other events the group has sponsored, and the organization works with community and has been a great guest of the Lions Club. He said he has never witnessed any issues with other motorcycle groups at these events.

F. Malozzi MOVED to table discussion and decision to June 17, 2019 on the application of the Lebanon Lions Club (owner), David Vertefeuille (applicant), 122 Mack Road, Assessors Map 236, Lot 57 for Temporary Use Permit for July 5-7, 2019 Murdercycles event per Zoning Regulations Section 7.1.
