**Motion by Jan Fitter, seconded by Alton Blodgett, to approve the January 6, 2020 regular meeting minutes. Motion unanimously approved.**

Mr. Chester reported that SCCOG was interested in the Commission’s thoughts on creating a regional agricultural commission; Mono Pond state park property planned closing in March; adding dirt roads highlighted in open space map and POCD draft Natural Resources Section; and Mack Road Williams property appraisals due end of February.

Marc Lang recommends adding several brooks to the POCD draft list and noted that the 5-Mile and Commons Hills Trails need to be re-blazed.

Michael Wolf reported that the State FFA would support the middle school creating an FFA which would require a general class on agriculture.

The Commission adjourned at 5:20 p.m.
