The Housing Rehabilitation Program is designed for low and moderate income homeowners and landlords with low and moderate income tenants to address safety and public health code violations, as well as provide funds for necessary house repairs.

Funds will address safety and public health code violations first but also may be used by homeowners for common repair projects including but not limited to, septic system repairs, roofing & siding, structural deficiencies, replacement windows, plumbing, electrical, and heating systems.

The Housing Rehabilitation Program is funded by a Community Development Block Grant from the United States Department of Housing and Urban Development and administered through the CT State Department of Housing.

Housing Rehabilitation Projects have a $25,000 spending cap per eligible applicant. To be eligible for the Program applicants must income qualify, have at least a 90% loan to value ratio before rehab work, and be current on town taxes. Projects must also be able to address all serious housing deficiencies while staying within the spending cap.

The housing rehabilitation funds are a loan to homeowners that must be eventually paid back. Loan repayments are used to continue the Program. Low and moderate income eligible applicants will receive a loan that is 100% deferred until the property changes ownership.

Landlords housing low- or moderate-income eligible applicants will receive a loan that is 50% deferred until property changes ownership and 50% no-interest loan paid over ten years in yearly installments.

The Town of Lebanon has designed the Program to give life threatening and serious public health hazards first priority. Applications that do not meet this criteria will be placed on a waiting list and will be addressed as funding allows.

Upon acceptance in the Program applicants must submit a copy of their latest IRS tax return, current pay stubs, most recent mortgage statement and homeowner's certificate of insurance. The Program is being administered by Peter Huckins at 860-456-0782 or peterhuckins@charter.net. Please feel free to contact him if additional information is required.
